

FLIGHTLINE ACCESS APPROVAL

Runway 10/28 approach-light restoration

MEMORANDUM FOR: 713 CONS; 713 SFS; Outer Heaven Builders, LLC

FROM: 713 AOS/CC

DATE: 27 May 2027

SUBJECT: Approved controlled-flightline roster - Task Order 27-052

Airfield Operations (713 AOS), in coordination with Security Forces (713 SFS), approves the individuals below for the controlled-flightline work area supporting Runway 10/28 approach-light restoration. Required vetting, local flightline orientation, restricted-area procedures, and work-schedule coordination are complete.

Name	Employer	Function	Status
Avery Stone	Outer Heaven Builders, LLC	Onsite superintendent	Approved
Nina Reyes	Outer Heaven Builders, LLC	Site safety and health officer	Approved
Cole Mercer	Outer Heaven Builders, LLC	Equipment operator	Approved
Jordan Beck	Outer Heaven Builders, LLC	Civil foreman	Approved
Elias Quinn	Northern Beacon Electric, LLC	Electrical foreman	Approved
Mara Ivers	Northern Beacon Electric, LLC	Airfield-lighting technician	Approved
Theo Grant	Northern Beacon Electric, LLC	Electrician	Approved

Authorized work schedule

Routine access: 1-21 June 2027, 0600-1800 daily. Night commissioning windows: 9-11 and 19-20 June, 2200-0400, only after Air Traffic Control release. Access is limited to the approved route, staging area, and approach-light work limits shown in the coordination plan.

CONDITIONS. This approval does not authorize entry into unrelated restricted areas or movement across an active runway. Personnel must comply with radio, escort, vehicle-control, foreign-object-debris, and immediate-removal instructions. Airfield Operations may suspend or revoke an individual's privilege for unsafe or inappropriate conduct.
