Nominee	1st Lt Jack “Raiden,” 713th Civil Engineering Squadron (713 CES)
Assignment	SM-MACC-01, Task Order FA-27-005 — Campbell Hall Phased Headquarters Renovation
Nomination status	Selected as replacement COR; contract-specific orientation pending
Risk type	Type B — fixed-price construction task order with recurring surveillance

Training and qualification record

Requirement	Status	Completion / evidence	Current record
Annual Ethics training	COMPLETE	12 Jan 2027 · LMS-ETH-27191	Current for FY27
Combating Trafficking in Persons	COMPLETE	12 Jan 2027 · JKO-CTIP-27204	Current
Initial Type B COR training	COMPLETE	14 Oct 2026 · DAU-CRB-26144	Completed seven months before transition
Contract-specific orientation	PENDING	To be completed with contracting team before duty begins	Practical refresher requested
JAM nomination record	COMPLETE	JAM case SM-27-005-COR2	Awaiting CO action
SPM user account	ACTIVE	User RA-713CES-27	Surveillance plan not yet assigned

Program-manager certification

I verified the above record against the Shadow Moses COR program file. Required Type B, Ethics, and CTIP training are complete and current. Because the nominee reports poor retention of the earlier COR course, COR program management requests a practical contract-specific orientation before duty begins. No COR authority exists outside the cognizant Contracting Officer's written designation.
