SHADOW MOSES AIR FIELD, ALASKA

TASK ORDER EXTRACT

Contractor-furnished construction equipment | FA-27-008

Vehicle	SM-MACC-01, Task Order FA-27-008
Contractor	Diamond Dogs Civil Works, LLC
Requirement	Building 100 Command Post Renewal
Contract type / award	Firm fixed price / \$8,615,000
Award / notice to proceed	16 August 2027 / 16 August 2027
Extract status	Conformed award record through Modification 0000

Section C, paragraph 1.8 - Contractor resources

The Contractor shall furnish all labor, supervision, professional services, tools, vehicles, lifting and material-handling equipment, temporary facilities, construction plant, fuel, maintenance, and incidentals necessary for complete design and construction, except property expressly identified in the task-order schedule as Government-furnished property.

Specification 01 50 00, paragraph 1.3 - Construction equipment

Provide cranes, telehandlers, forklifts, loaders, hauling equipment, rigging, operators, inspections, maintenance, repair, and replacement capacity required for the work. Include equipment mobilization and demobilization in the firm-fixed price. Equipment failure, repair, replacement, and ordinary rental availability remain the Contractor's responsibility unless another contract term provides relief.

Task-order schedule - Government-furnished property

Schedule item	Award entry
Government-furnished property	NONE
Government equipment available for contractor use	NONE IDENTIFIED
Property attachment	NOT ISSUED AT AWARD

Government-owned construction equipment shall not be borrowed, possessed, or used through an oral or informal arrangement. Any change must be made in writing by the Contracting Officer before transfer or use and must identify the property and applicable contract terms.

EXTRACT LIMIT: The award requires contractor-furnished equipment. This extract does not determine whether the Contracting Officer may or should modify the order after completing the required analysis.
