

DEPARTMENT OF THE AIR FORCE

SHADOW MOSES AIR FIELD, ALASKA

APPLICABLE WAGE DETERMINATION - EXTRACT

Fictional exercise wage determination AK20270001, Modification 0

Construction type	Building
Locality	Shadow Moses remote-island locality, Alaska
Decision date	8 January 2027
Incorporated into	SM-MACC-01 / Task Order FA-27-005
Contract award	10 March 2027

Relevant classifications

Classification	Basic hourly rate	Health & welfare	Pension	Total fringe	Total hourly package
ELECTRICIAN	\$53.40	\$11.70	\$11.40	\$23.10	\$76.50
LABORER - Common or General	\$31.20	\$8.20	\$7.40	\$15.60	\$46.80

Extract notes

The listed basic rate and fringe amount are minimums for covered work. Fringe obligations may be satisfied through qualifying contributions, cash equivalents, or an allowable combination. This extract omits classifications not material to the event.

Electrician is already listed in the incorporated determination; no request to add or conform a missing classification is required for the work described in this exercise.

EXERCISE RATE DIFFERENCE: \$76.50 electrician total minus \$46.80 laborer total equals \$29.70 per affected hour.

Source note: Training-only rate extract. The governing concepts are 40 U.S.C. chapter 31, subchapter IV; FAR 52.222-6; and the wage determination incorporated into the actual contract.
