

EMPLOYEE INTERVIEW RECORD

Elena Cruz | VE-1842 | Campbell Hall

Interviewed	13 Sep 2027 / 0905; privately at 713 CES field office
Interviewer	Meryl Silverburgh, Construction Inspector, 713 CES
Employer	Volgin Electrical Services, LLC
Prime / order	Peace Walker Infrastructure Partners, LLC / FA-27-005
Period discussed	23 August through 10 September 2027
Question	Worker statement
What work did you normally perform?	Laid out, cut, bent, supported, and installed EMT conduit; installed pull boxes; pulled branch conductors; mounted boxes and devices; made de-energized terminations.
Who directed the work?	Volgin's electrical foreman assigned the daily electrical installation tasks and checked completed work.
Hours worked	Eight straight-time hours each Monday through Friday; 40 hours in each of the three weeks; no overtime.
Rate and fringe	\$31.20 per hour in basic wages and \$15.60 per hour reported as benefit-plan contributions.
How did the employer describe your classification?	Volgin called the position 'electrical helper/laborer' because I am not a licensed journeyman.
Registered apprentice?	No. I am not enrolled in or individually registered under an approved apprenticeship program.
Accuracy / coercion	The hours and amounts paid match my pay records. I gave this statement voluntarily and outside the supervisor's presence.
Worker acknowledgment /s/ Elena Cruz 13 Sep 2027 Interviewer certification /s/ Meryl Silverburgh 13 Sep 2027
